

# THE POWER IS IN YOUR HANDS

Feel the freedom of Kärcher's HV 1/1 Bp cordless, handheld vacuum cleaner. Combining power with brilliant performance this handy device will quickly become a firm favourite when it comes to cleaning, whether it's valeting a vehicle, cleaning an office or tidying up after building maintenance.

Compact and durable with no cable to plug in or move around, the HV 1/1 Bp is easy to operate and provides a runtime of up to 35 minutes.

# RELIABLE HANDHELD VACUUM CLEANER FOR ON THE MOVE JOBS

With its powerful suction, interchangeable battery and easy-to-empty container Kärcher's HV 1/1 Bp is ideal when you need a portable cleaning ally. From reaching the tightest of spaces in cars and vans to removing dirt and dust from stairways, this handy and convenient device cleans up effortlessly.

- The charge status is clearly displayed on the battery, which can be completely removed and charged ready to be used again in 50 minutes
- ecoefficiency mode reduces operating noise levels and provides an extra 67% of run time
- The compact and robust design makes it easy to handle and take with you
- 360° rotatable nozzle enables easy multi-directional cleaning
- A wide range of accessories make this vacuum cleaner extremely versatile for a range of applications

# TAILORED FOR YOU: VERSATILE ACCESSORIES YOU CAN RELY ON

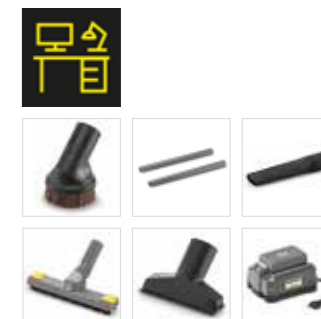

## CONSTRUCTION

- A handy and powerful addition to your tool box for quickly and quietly cleaning up drilling dust and dirt after jobs
- Easily remove dirt from tool bags, boxes, work benches and vans without the need to find a plug socket
- Convenient hands-free working thanks to the handy carry strap

## FACILITIES MANAGEMENT

- ecoefficiency mode reduces noise levels and provides a longer battery run time allowing offices and buildings to be cleaned day or night
- Easily clean under objects or furniture without needing to move them out of the way
- Quickly change from handheld upholstery cleaner to upright floor tool to remove dirt and dust from all areas of the building

## AUTOMOTIVE

- Valet vehicles with ease thanks to powerful suction performance and lightweight design
- Effortlessly clean even the tightest of spaces with the crevice tool and flexible suction hose with 360° rotation
- Work any time, any place and in comfort with no trailing cables or requirement for sockets
